Dear Sponsor,

The Annual Big Band Hangar Dance is coming up on Saturday, November 11th. Last year for the first time, we offered a variety of valuable sponsorship opportunities – which were swiped up in a matter of days after they were announced!

This year we are offering even better sponsorship opportunities to companies and individuals to help offset our Hangar Dance costs. We also know that many people who attend the Hangar Dance could be potential customers for your company so we are offering some great benefits for being a sponsor. It's a win-win!

Last year, we had record-breaking attendance. We had estimated that 500 would attend and over 750 came instead! As a result, this year, we are introducing an onsite pizza kitchen and the MooChewSooey BBQ Truck. We are also going to have a larger vintage canteen with more choices provided by Sweetie's Pop Stop.

The restoration of our PT-26 is going well, but has a long way to go. Our goal is to complete the aircraft in early 2018 with a freshly overhauled engine and one spare engine on the shelf in order to keep this new aircraft flying along with our PT-19. Engine overhauls are very expensive and critical to our operations because we depend on revenue from selling rides in our aircraft to pay our expenses from month to month.

Please review the sponsorship levels below and let us know which level you would be interested in. Feel free to give me a call at **918-381-0805** with any questions or if you would like to reserve a sponsorship. I look forward to hearing from you soon!

Sincerely,

Lou Waldeich
